Is your watch up-to-date as well as on time?

Would you wear a suit of clothes in the style of a half century ago?

Certainly not. And yet even today, when a watch is considered to be as much an accessory of dress as it is a timekeeper, many a pocket bulges with a cumbersome watch 25 to 50 years old.

Remarkable progress has since been made in watch making. Graceful, thin models which retain all the accuracy and sturdiness of their cumbersome predecessors but give an added beauty and charm, are worn today by men and women of good taste.

Such a watch is up-to-date as well as on time. Come in and see our latest watch models of well-known makes, dressed in the famous Wadsworth Cases.

minutes TO ANY MARKET

LAMB was at a premium. A California buyer learned that a large number of lambs were available in Ogden, Utah. Experienced in such emergencies, he used Long Distance Telephone Service and in five minutes purchased ten thousand head for immediate shipment. The saving in expense was real, but the saving in time was more important.

Whether buying or selling your market is only minutes away when you use Long Distance Telephone Service.

Many new uses of Long Distance are no doubt applicable to your business. These will be cheerfully discussed with you upon request to the Business Office of the Telephone Company.

LILLIAN BOWLES

She appeared in several period costumes, including those of Joan Arc, Madame Butterfly, and Jenny Lind. Her delightful personality and remarkable costumes, together with her beautiful soprano voice, combined to make one of the most satisfactory programs enjoyed by Torrance audiences.

Nut Funsters Crack New Ones At Orpheum

Big Crop of Comics Gathered to Please Patrons Next Week

Their Royal Nuttiness Ole Olesen and Chic Johnson, having gathered an entirely new fall crop of fun and foolishness, have organized their most ambitious offering, which comprises 12 new scenes and brings a large company of supporting artists with it, and they will present "many mad minutes of monkey business" as the headline attraction at the Orpheum Sunday, Nov. 21. With their past offerings they have succeeded in making the cuckoo clock so green with envy that it refuses to "cuck," and now their ambition is to make the crazy quilt crazier than ever, and according to advance reports of their succeeding well. Other features on this special bill for Orpheum Nut Week will be Solly Ward and Company, another set of fun-makers, in "Off to Maine"; Dave Apollo and Company, presenting "An Apollonian Revue," with Marieje Lane, Dorothy Charles and Apollon's Manila Orchestra; Bert Levy, the famous artist entertainer; and Aunt Jimma. Sun Fong Lin and Company come direct from Peking with a myriad of Chinese novelties, and with the aid of Meehan's Camerines the Orpheum will offer one of its best and most varied bills of this season.
